This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-514-5916 or visit optimahealth.com and sign into the Member Portal. | Important Questions | Answers | Why This Matters |
|--|---|--|
| <p>What is the overall deductible?</p> | <p>\$100/Individual or \$200/family In-Network</p> | <p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes. Most preventive care services and screenings are covered before you meet your deductible.</p> | <p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-carebenefits/.</p> |
| <p>Are there other deductible for specific services?</p> | <p>No.</p> | <p>You don't have to meet deductibles for specific services.</p> |
| <p>What is the out-of-pocket limit for this plan?</p> | <p>For In-Network \$800 person / \$1,600 family</p> | <p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.</p> |
| <p>What is not included in the out-of-pocket limit?</p> | <p>Premiums, balance-billed charges, and health care this plan doesn't cover.</p> | <p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p> |
| <p>Will you pay less if you use a network provider?</p> | <p>Yes. See http://www.optimahealth.com or call 1-866-514-5916.</p> | <p>You pay the least if you use a provider in Tier 1. You pay more if you use a provider in Tier 2. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p> |
| <p>Do you need a referral to see a specialist?</p> | <p>No.</p> | <p>You can see the specialist you choose without a referral.</p> |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
