This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-514-5916 or visit optimahealth.com and sign into the Member Portal. Important Questions	Answers	Why This Matters
<p>What is the overall deductible?</p>	<p>\$0</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>No.</p>	<p>This plan covers items and services even if you haven't yet met the deductible amount.</p>
<p>Are there other deductible for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Not Applicable.</p>	<p>This plan does not have an out-of-pocket limit.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Not Applicable.</p>	<p>This plan does not have an out-of-pocket limit on your expenses.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See http://www.optimahealth.com or call 1-866-514-5916.</p>	<p>You pay the least if you use a provider in Tier 1. You pay more if you use a provider in Tier 2. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
